GREGORY WONG JOINS HONOLULU SEAWATER AIR CONDITIONING AS CUSTOMER SERVICE MANAGER

Honolulu, HI – Honolulu Seawater Air Conditioning LLC today announces that Gregory Wong has joined Honolulu Seawater Air Conditioning as Customer Service Manager.

With a background in ocean engineering, Greg joins Honolulu Seawater Air Conditioning from Navatek, Ltd where he was responsible for design and engineering support for various systems. Greg holds a Masters of Science in Ocean Engineering from University of Hawaii and a Bachelors of Arts in Marine Physics from the University of San Diego.

Honolulu Seawater Air Conditioning, LLC, is a privately owned company currently developing a seawater air conditioning system for Honolulu. Deep ocean water will be used to deliver renewable cooling to commercial and residential properties in the downtown Honolulu area. The project is scheduled to commence construction in 2011 and to begin providing chilled water services to customers in 2013. For more information, visit www.honoluluswac.com, or contact the headquarters at (808) 531.SWAC (7922).
