## **HONOLULU SEAWATER AIR CONDITIONING HAS MOVED**

**Honolulu, HI** – Honolulu Seawater Air Conditioning LLC today announces that it has moved to 1132 Bishop Street, Suite 1410; Honolulu, HI 96813. Says Joakim Nilsson, Project Manager, “We are pleased with the progress of the company and had to look for a larger office space to accommodate our intensive acceleration.” The move to the heart of downtown Honolulu also provides Honolulu Seawater Air Conditioning with an invaluable opportunity as stated by Joe Cheng, Sales Director, “To be in the proximity of 80% of our core customers.”

*Honolulu Seawater Air Conditioning, LLC, is a privately owned company currently developing a seawater air conditioning system for Honolulu. Deep ocean water will be used to deliver renewable cooling to commercial and residential properties in the downtown Honolulu area. The project is scheduled to commence construction in 2011 and to begin providing chilled water services to customers in 2013.
